

WE'RE HIRING!

MID-LEVEL LANDSCAPE ARCHITECT

PBR HAWAII & Associates, Inc. is an award-winning landscape architecture and planning firm based in Honolulu, Hawai'i. We are seeking talented individuals with 5-7 years of landscape design experience in commercial and large-scale projects. Candidates must have a degree from an accredited program in landscape architecture or licensure.

When you join our team, you will be responsible for:

- Managing diverse, fun, and exciting projects in Hawai'i ranging from public parks and open spaces to commercial, hotel and resort developments, as well as educational, residential, and planned community developments
- Working directly with clients, our Principals, and supervising staff
- Preparing conceptual/schematic drawings, construction documents
- Traveling to project sites and providing construction observation services on projects
- Producing presentation graphics and presentations for clients, including 3D modeling and Photoshop renderings
- Attending and participating in design meetings and client charettes
- Mentoring and training staff

The ideal candidate has:

- Passion for design with creative problem-solving skills
- Open-minded with a positive attitude
- Strong written and verbal communication skills
- Enjoys working in a team environment
- Experience in working on projects from conceptual design phase through construction documentation
- Experience implementing Low Impact Design principles in creative ways
- An understanding of mass grading as well as fine grading to develop concept designs as well as assess grading intent of other disciplines
- An understanding of irrigation design and is able to develop irrigation system plans as well as provide water use calculations
- An understanding of construction detailing and materials in order to accurately convey construction intent to support design drawings
- Expertise in using a range of design tools from hand sketching to 3D modeling to convey concepts through the design process

Proficiency in:

- AutoCAD 2014+
- Adobe Creative Suite (InDesign, Photoshop, Illustrator)
- Microsoft Office (Word, Excel, Outlook, PowerPoint)
- 3D modeling (SketchUp or Rhino)
- Google Earth Pro

Additional experience or credentials with the following is desirable:

- Land F/X (proficiency required within 6 months of employment)
- LEED AP credential (required within 6 months of employment)
- Hand illustration
- Bluebeam Revu

Candidates must be able to perform all essential job functions, with or within reasonable accommodation. If interested please reply with: a letter of interest, your resume, a portfolio, and a list of references. Applicants who do not provide the requested information will not be considered. Applications will be considered active for 60 days; if you have not heard from PBR HAWAII by then, you may consider your application not accepted.

Please submit your materials to: cyonamine@pbrhawaii.com
No phone calls please
